Viewing the EST Manager renewal process8

Overview

The Extended Service Term (EST) Manager is an automation tool designed to streamline the management of Microsoft subscription renewals and cancellations. It allows users to efficiently update renewal or cancellation of status for large batches of eligible subscriptions, significantly reducing manual effort and processing time.

About this document

This document provides step-by-step instructions to understand and navigate through the EST Manager dashboard.

Key features:

- An automation tool that bulk updates renewal or cancellation dates for eligible subscriptions.
- Designed specifically for Microsoft orders.
- Supports efficient handling of large batches through simple CSV uploads and automated validation.
- Processes only eligible items and provides feedback for failures.

Getting Started

This section includes the following topics.

- [Obtain access to the environment](#)
- [Sign in to the EST Manager dashboard](#)

Obtain access to the environment

Ensure that you have obtained permission to access the corresponding dashboards of StreamOne Hub.

The EST Manager dashboard includes the following environment.

Environment	Web address
PROD	https://streamone-hub.tdsynnex.org

Sign in to the EST Manager dashboard

To sign in to the EST Manager dashboard, perform the following steps.

1. In the browser, enter <https://streamone-hub.tdsynnex.org>.

The **StreamOne Operations Hub** page is displayed.

2. In the **STREAMONE CLOUD TOOLS** section, click **EST Manager**.

The **EST Manager** dashboard page is displayed.

Note: When you click the **EST Manager** application, if you do not have the required permissions, the **Restricted Access** dialog box is displayed along with a link that navigates to a document explaining how to create an EasyVista ticket. The error message varies according to the permissions.

The following table includes filters of the EST Manager dashboard.

Filters	Image	Description
Date Range		Displays data for the selected date range.
Search		Search specific records within the selected date range.

The following table includes tabs of the EST Manager dashboard.

Tab	Description
Success	Displays records for the successfully uploaded subscriptions.
In Progress	Displays records for the subscriptions being processed.
Failed	Displays the subscriptions that encountered errors or did not complete.

Viewing the EST Manager renewal process

The renewal process involves downloading the required CSV template from the tool and uploading the CSV format file.

To view the EST Manager renewal process, perform the following steps.

1. On the EST Manager page, at the top-right, click the **Upload** button.

The **EST Manager** dialog box is displayed.

2. To download a template, click

The template is downloaded and saved in the **Downloads** folder of your computer.

3. Click **Open file**.

4. Enter the required details in the following columns of the CSV template file:

- RegionKey
- Microsoft Id
- Subscription Id

Note: Ensure that you have the required details before downloading the CSV template file.

5. After entering the details, click **Save**.

6. To upload a file, in the **EST Manager** dialog box, go to the **Upload Template** section.

Note:

- You can upload only CSV files, and the file size must not exceed 2 MB. If a user uploads a file larger than 2 MB, an error message is displayed "**Attached file size exceeds 2 MB.**"
- If uploaded file is other than CSV, an error message is displayed "**Incorrect file type attached.**"

7. Drag and drop, or upload a file from the corresponding location on your computer.

The file is uploaded.

8. Click **Proceed**.

A confirmation message is displayed.

[illegible]

- To download a report, click the download  icon.
