Overview

The **S-ION Regional Overview** dashboard provides S-ION business executives with an interactive, real-time view of key platform metrics such as resellers, customers, subscriptions, licensed seats, usage, and vendors segmented by geographic region or country. This results in quick, data-driven decisions and comprehensive visibility into the platform activity across locations.

About this document

This document provides step-by-step instructions to understand and navigate through the Regional Overview dashboard.

The purpose of this document is to describe the objectives, scope, and functional components of the **S-ION Regional Overview** dashboard.

Key features:

- Displays **key metrics** for resellers, customers, subscriptions, licensed seats, usage, and vendors, with interactive filters such as vendor, region, and country to provide targeted, actionable insights.
- Provides **real-time visibility** into platform activity.
- Supports **quick, data-driven decisions** for S-ION business executives.

Getting Started

This section includes the following topics.

- [Obtain access to the environment](#)
- [Sign in to the S-ION Regional Overview dashboard](#)

Obtain access to the environment

Ensure that you have obtained permissions to access the corresponding dashboards of StreamOne Insight.

The S-ION Regional Overview dashboard includes the following environment.

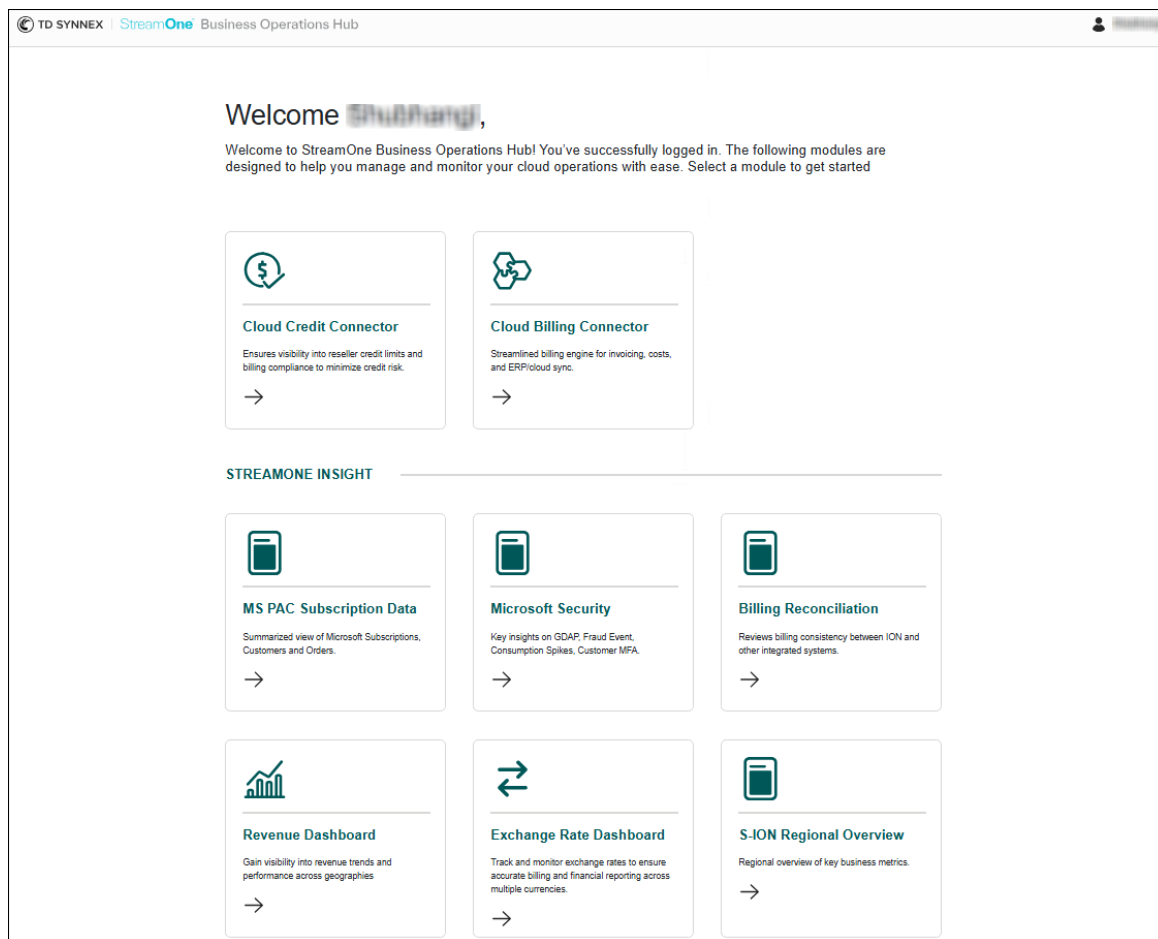

Environment	Web address
PROD	https://streamone-hub.tdsynnex.org

Sign in to the S-ION Regional Overview dashboard

To sign in to the S-ION Regional Overview dashboard, perform the following steps.

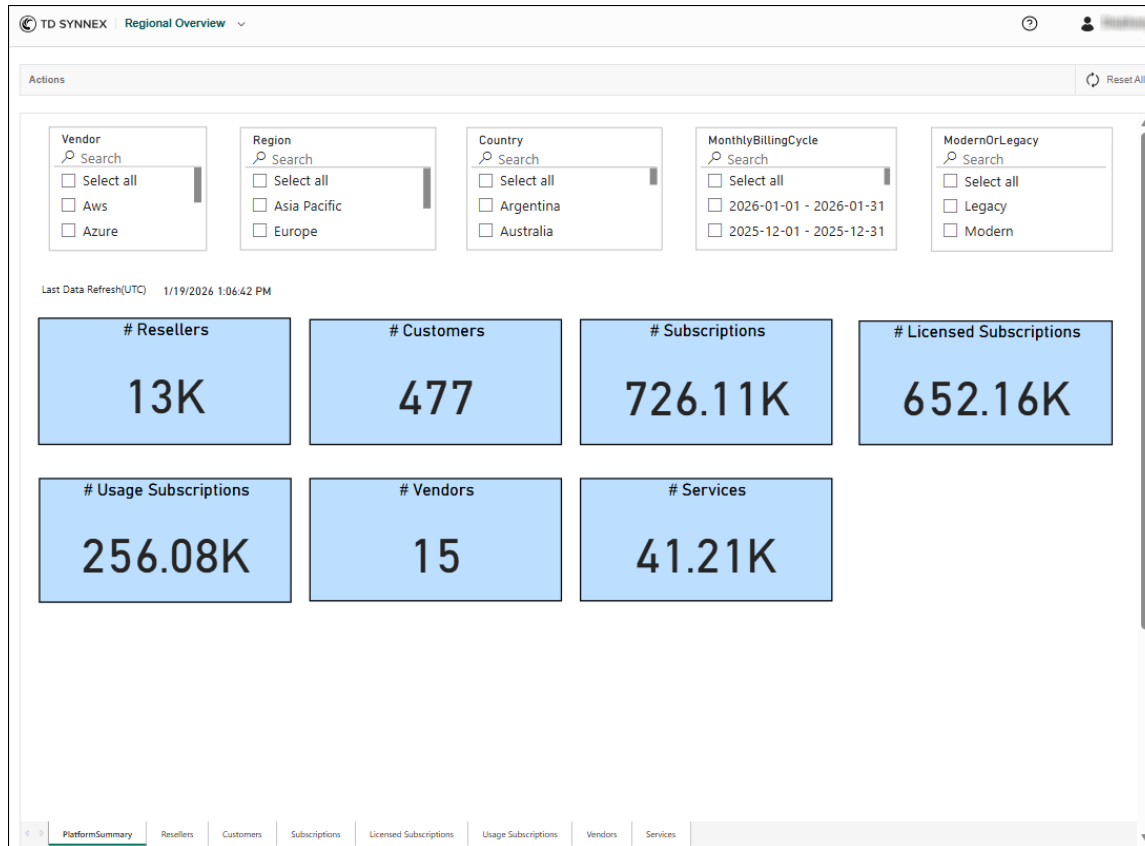

1. In the browser, enter <https://streamone-hub.tdsynnex.org>.

The **StreamOne Business Operations Hub** page is displayed.

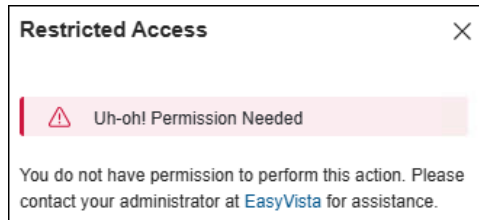

2. In the **STREAMONE INSIGHT** section, click the **S-ION Regional Overview** dashboard.

The **Regional Overview** dashboard page is displayed.

- On the Regional Overview dashboard page, the **PlatformSummary** tab is displayed, by default. When you log in to this dashboard, by default, data for the current login date is displayed.
- To view the unfiltered data of a dashboard, at the top-right, click the **Reset All** button.
- This dashboard includes widgets such as Resellers, Customers, Subscriptions, Licensed Subscriptions, Usage Subscriptions, Vendors, and Services, allowing you to view the count or details of each metric dynamically, based on selected filters such as country, region, or vendor.
- On this dashboard, selecting each widget displays the corresponding tabs. For example, clicking Resellers navigates to the **Resellers** tab.

Note: When you click the **S-ION Regional Overview** application, if you do not have the required permissions, the **Restricted Access** dialog box is displayed along with a link that navigates to a document to create an EasyVista ticket. The error message varies according to the permissions.
